Dear Potential Sponsor:

Greetings! Imani Temple #49 of the African American Catholic Congregation was established in 1993 to be a preeminent, holistic provider of spiritual and educational development. The African-American Catholic Congregation, an autonomous and independent Catholic institution, understands that a people who do not take control of their destiny, moved by the genius of their culture, and can never achieve full spiritual, economic, social, cultural and psychological maturity. Therefore, the African-Americans Catholic Congregation and its parishioners are committed to the movements and struggles of our days, in hopes of preserving tomorrow.

Throughout our twenty-years in existence, we have been a prominent contributor in Lafayette and the surrounding communities and with your support, we can continue to provide the community with numerous community outreach programs including, after-school tutoring program, Summer Pyramid Camp, and Ujamaa. We also support worthwhile community projects such as the Martin Luther King, Jr. Celebration, Black History Programs, and Voter Registration Drives. Additionally, we are in the process of expanding our outreach programs within the upcoming year.

In an effort to continue our service to the community, we are asking for your assistance in the fulfillment of our mission. A tax deductible contribution in the form of food or sponsorship will ensure the continued success of Imani Temple #49's community outreach programs. Please refer to the attached Sponsorship & Contribution Form for benefits in consideration of your donation; we welcome any and all donations. The Planning and Development Committee of Imani Temple #49 greatly appreciates your cooperation and we look forward to working with you!
